APRIL
2003

A photograph of a dry, grassy landscape. The foreground is filled with tall, golden-brown grasses. In the middle ground, there are several large, dark green bushes and trees. The background shows rolling hills under a clear blue sky. A person's shadow is cast on the grass in the lower right foreground. A white rectangular stamp in the bottom left corner contains the text "MAY 2012".

MAY
2012

A photograph of a river flowing through a wooded area. The water is brown and turbulent, with white foam from rapids. A large, dead tree trunk is partially submerged in the middle of the river. The right bank is a steep, eroded bank of dark soil with exposed roots. The background is a dense forest of tall, thin trees under a blue sky with light clouds. The foreground shows a rocky bank with some green grass and fallen branches.
